Hi Dana: Did you get a chance to talk to David about the conditions he would like to see on Thompson and Tao?

Laurie Goldman is handling this - I passed along information because Thompson is the one project I'm not the lead on.

Hi Chris!

Both Grant King and I met with David at Gala on Thursday night....we discussed no music after 10 or 11 with rooftop restaurant closing at 1 AM, but he wasn't satisfied. David and I are close friends as we served together on CHNC Board for 5 years. I have another call with him this evening.
